Hinshaw/RPC Web Chat - Tales from Covid: Insurance in the Time of Coronavirus - Bad Faith Claims

June 17, 2020

Working with our U.K. alliance partners, Reynolds Porter Chamberlain LLP (RPC), we are pleased to provide a series of 'informal web chats' with the title "Tales from Covid: Insurance in the Time of Coronavirus."

The web chats will cover topics such as business interruption, event cancellation, bad faith, and the consequences of an insured becoming insolvent, and will draw upon the experience of partners in Hinshaw and RPC from across the globe.

In this episode, Hinshaw partner Scott Seaman joins Peter Mansfield of RPC to discuss bad faith claims in the United States; claims brought by policyholders alleging breach of the covenant of good faith and fair dealing by the insurer.
