Bloomberg's Making Partner in a Pandemic: Hinshaw's Brad Dunn

April 19, 2021

Hinshaw partner Brad Dunn was one of seven attorneys featured in Bloomberg Law's "Making Partner in a Pandemic" series. The series features personal stories of what it was like to make partner in the middle of a widening COVID-19 pandemic.

In the profile, Brad discussed having to travel 30 miles each way to a pro se plaintiff's house to personally scan and review documents while outfitted in personal protective equipment; delivering successful closing arguments on the phone while his eight-year-old son sought help with his third-grade math problems; and learning he made partner via a Zoom call and being mailed a celebratory champagne bottle.
