### Anthony Davis Authors Article on Conflicting Decisions Regarding the "Unfinished Business" Doctrine

November 2, 2012

Anthony E. Davis authored the article "[More on Law Firms, Bankruptcy and 'Unfinished Business,'](#)" which appeared in the November 2, 2012, edition of *The New York Law Journal*. In it, Mr. Davis revisits the "unfinished business" doctrine — which he addressed in an earlier article "'Unfinished Business' - Expanding Hurdle to Lateral Hiring"— in light of a recent decision by the U.S. District Court for the Southern District of New York that directly conflicts with the holding in the case discussed in that prior article.
