PLUS Blog Reports on Matthew Henderson Panel Discussion on Lawyers Professional Liability Claims Trends

May 12, 2023

The Professional Liability Underwriting Society recently reported on their PLUS Blog about a Berkley Select panel presentation featuring Hinshaw partner Matthew Henderson on the subject of "Lawyers Professional Liability Claim Trends."

According to the blog report, the panel discussion highlighted five key takeaways, including some of the most frequent claims today, social engineering schemes targeting law firms, and the risks of using artificial intelligence in legal practice.
