### Steve Moore Authors Chapter on Mergers and Acquisitions of Health Care Providers

July 1, 2013

"Orchestrating Successful Mergers and Acquisitions of Health Care Providers"

Hinshaw Health Care partner [Stephen T. Moore](#) authored the opening chapter in *Inside the Minds: Navigating Health Care M&A Transactions*, a book published by Aspatore, a division of Thomson-Reuters. His chapter, titled "Orchestrating Successful Mergers and Acquisitions of Health Care Providers," covers key issues and concerns that arise when navigating a transaction to a successful conclusion, including knowledge of complex laws, understanding the client's business objectives and strategies, negotiating the letter of intent, due diligence, negotiating the acquisition agreement, and more.
