### Tom McGarry and Tom Sukowicz Author Article on Division of Loyalty in Court

September 1, 2013

Thomas P. McGarry and Thomas P. Sukowicz co-authored an article for *Chicago Lawyer* magazine. The article, titled "Ethics: No divided loyalty in court," addresses the increasing occurrences of a lawyer being accused of breaching a duty owed — not to his or her client, but to a third party with whom the lawyer never had an attorney-client relationship and even to a party who is adverse to the lawyer's client.
