Hinshaw's New Orleans Office Featured as a Top Pro Bono Law Firm of 2024 by New Orleans Magazine

November 6, 2024

We are pleased to announce that the *New Orleans Magazine* has featured Hinshaw & Culbertson LLP as a New Orleans Top Pro Bono Law Firm of 2024. Hinshaw was selected among six "local law firms leading the charge" in pro bono initiatives that are "doing their part to make New Orleans a better place to call home."

In the [New Orleans Magazine feature](#), partner Colleen Jarrott spoke about the firm's pro bono efforts in Louisiana: "[It is important] to give back to our community, especially here in New Orleans where [costs have] skyrocketed, but the local salary rates have not. We have so much poverty and a large, unhoused population. This is the best way to help people with everyday issues like landlord/tenant problems, family law issues, etc. Pro-bono service takes dedication and time, but it is so rewarding to help someone."

The feature also highlighted Hinshaw's commitment to pro bono work nationally, including its selection to the Public Interest Law Initiative 2023 Pro Bono Recognition Roster.
