"Medical Spas Now Subject to New California Regulatory Requirements"

Hinshaw Health Care Practice Group partner [Michael A. Dowell](#) wrote an article published in the August 31, 2012 issue of the *Los Angeles Daily Journal* and *San Francisco Daily Journal*. The article discusses the increase in alternative cosmetic patient treatment sites over the last ten years, highlights important definitions of what is covered by new California legislation, and discusses the potential for increased enforcement efforts coupled with significant penalties for those entities and professionals found to be non-compliant.

[Michael A. Dowell](#) is resident in Hinshaw's [Los Angeles](#) office. He has extensive experience representing healthcare organizations on operational issues, regulatory compliance and transactional matters. His clients include hospitals and health systems, community health centers, federally qualified health centers, pharmacies, managed care plans, physician organizations, management companies, pharmacy benefit managers, ancillary service providers and a variety of other businesses in the healthcare industry.
