Thomas McGarry and Anthony Davis Quoted in Law360 Article on Recent Court Decision involving a \$40 Million Verdict

February 17, 2014

Thomas P. McGarry and Anthony E. Davis were quoted in a *Law360* article titled, "Sidley's Blown Deadline Shows Firms Need Careful Monitoring." The article discusses the need for careful monitoring of case developments, as one missed deadline can end up harming a client and subjecting a law firm to malpractice litigation. Mr. McGarry's comments focused on the potential risks associated with many attorneys working on a large matter, while Mr. Davis's comments focused on suggested best practices to avoid such risks.
