Anthony Davis Authors New York Law Journal Article on Internet Investigation of Jurors

November 3, 2014

Anthony E. Davis authored the article "Internet Investigation of Jurors," for the *New York Law Journal*. The article discusses two recent ethics opinions (City Bar 2012-2 and ABA 466) that address the existence and scope of a lawyers duty to conduct research about jurors, and the limitations on that duty when the research is conducted online.
