Kendra Basner Authors Article on Permissibility of Litigation Between Attorney and Client for San Francisco Bar Association Bulletin

December 4, 2015

Kendra L. Basner authored the article "Attorney v. Client - Walking the Ethics Tightrope," in the December issue of The Bar Association of San Francisco's *Bulletin*. The article discusses whether litigation between an attorney and client is permitted during engagement on a separate matter.

The article will also appear on The Bar Association of San Francisco's blog [Legal By The Bay](#).
