July 20, 2017

The law firm of Hinshaw & Culbertson LLP is pleased to announce that Sergio Acosta, a Chicago-based partner and national leader of the firm's Government Practice Group, has been named one of the 50 most influential Latinos in the Chicago area by *Negocios Now*. Founded in 2007, *Negocios Now* is the only Hispanic business publication in Illinois and is distributed nationally in digital format.

Honorees include business owners and professionals from a variety of industry sectors, including legal, financial services, manufacturing, healthcare, nonprofits and public service. The 50 Most Influential Latinos initiative is part of the 10th anniversary celebration of *Negocios Now*, and will be accompanied by the publication of "Who's Who in Hispanic Chicago", a directory that recognizes leaders in Business, Corporate, Culture and Education, Government, Healthcare, Elected Official, Legal, Marketing, Media and Nonprofit.

"It's a great honor to be included in this list of distinguished business leaders and public servants," said Acosta. "The local Hispanic community is a vital part of the business, civic and cultural life of the City of Chicago, and for the last ten years, *Negocios Now* has been there to help tell our community's story."
