

McV's Social Responsibility

When it comes to social responsibility, we lead by example.

The McV logo stands for involvement with worthy causes that improve the quality of life in Puerto Rico. We proudly support numerous worthy education, charitable, community service and cultural organizations and initiatives that improve the quality of life in Puerto Rico. So much so, that it is part of the fabric of the firm.

Our attorneys and staff support Fondos Unidos de Puerto Rico via direct donation, the Muscular Distrophy Association, San Jorge Children's Hospital Pediatric Diabetes Foundation and many others. Many of our attorneys participate as Board Members in institutions such as the Museo de Arte de Puerto Rico, Museo de Arte Contemporáneo, La Fondita de Jesús, the Fundación Pediátrica de Diabetes, the Fundación Comunitaria de Puerto Rico and Make-A-Wish Foundation. In our 75-year history we have proudly contributed more than \$3 million to support fundraising efforts benefiting many of these institutions.

That is who we are and what sets us apart from the rest.
