An McV Government Affairs Alert

February 9, 2021

On February 4, 2021, Governor Pedro R. Pierluisi signed Executive Order 2021-014 (“EO 2021-014” or the “Executive Order”) to, among other matters, modify the curfew established in the previous administrative bulletin and ease certain restrictions in connection with Government efforts to curb the spread of COVID-19 in Puerto Rico.

In addition, EO 2021-014, which is effective from February 8th until March 14th, 2021, unless otherwise extended or modified, eases certain restrictions by considering the recommendations of the Puerto Rico Economic and Medical Task Forces and the guidelines set forth in the United States Department of National Security’s Guidance on the Essential Critical Infrastructure Workforce: Ensuring Community and National Resilience in COVID-19 Response.
