Michigan, 2011

Glenn C. Ross is the Co-leader of Plunkett Cooney's Business Transactions & Planning Practice Group. He represents clients in numerous aspects of general corporate law, business and commercial matters, mergers and acquisitions, franchise law, as well as in transactions related to complex financing.

Mr. Ross provides counsel and advice regarding a variety of financing sources for real estate projects and business transactions, including the use of tax credits, conventional construction and permanent financing loans, Fannie Mae and Freddie Mac loans, 221(d)(4) and 221(f) FHA loans, HOME funds, private activity bonds and other federal, state and local financing sources. Mr. Ross frequently works with other financing programs from agencies such as the U.S. Small Business Administration, HUD and USDA Rural Development. He also ensures clients are compliant with regulatory requirements and tax laws related to complex real estate transactions involving tax credits, state and federal programs and bonds.

In addition, Mr. Ross drafts and negotiates commercial, partnership, operating, shareholder, asset and stock purchase agreements; financing documents in real estate development and other commercial transactions; terms and conditions; commercial leases and general business contracts in a variety of industries.
