Education

- Oakland Community College, A.S., 2023
- Wilmington University, Digital Evidence Discovery, Certificate, 2018
- Oakland Community College, A.A.S., Paralegal, 2017
- inData Trial Director Certified, 2015

A member of the Plunkett Cooney's Detroit office, Andrea Barragan works as a litigation support specialist, providing technical assistance to members in all practice groups.

Ms. Barragan manages the Litigation Support Department, and she assists attorneys with various aspects of their eDiscovery needs, including data collection; loading, reviewing, and producing data from within Relativity; audio and video editing; and addressing various other technical issues attorney's and support staff might encounter.

Ms. Barragan assists attorneys and paralegals preparing for trial by managing document intensive files, assisting with document productions and displaying exhibits in court. She has experience using litigation support software, including Relativity, Summation and Trial Director.

Lectures

- "More Data, More Problems: Using Technology to Streamline Your Litigation Process," Panelist, Avalon Legal, July 8, 2021
