August 26, 2025

11 Plunkett Cooney attorneys, who are early in their careers, were recently selected by their peers for inclusion in the 2026 edition of *Best Lawyers: Ones to Watch in America*™ for outstanding professional excellence.

According to Best Lawyers, Ones to Watch honorees typically have been in practice for five to nine years and focus their practice on one or more of the 77 areas of expertise that are reviewed. The methodology for determining these awards is the same as the one used to select Best Lawyers, which is a peer-review survey in which lawyers within their own geographic region nominate their peers. These lawyers are not allowed to select nominees from the same area(s) in which they practice, and it is not a fee-based listing.
