### WE DO BUSINESS DIFFERENTLY

The reason we work so hard is the same reason you do: ambition. We are driven by the pulse of the entrepreneurial spirit. We thrive on a quickened pace. But our hearts also beat for family, for community, for camaraderie, and for the values that bring deeper meaning into focus. Our broad perspective brings us the ability to work smarter and more efficiently. We are a team that appreciates how combined strengths can build pathways where obstacles once stood. Working together, we empower ambition.

### DRIVEN BY REAL-WORLD INSIGHTS

What separates RCCB from other firms is what connects us to you. We are lawyers who also think like business people. We know from practical experience what it takes to make things happen in the real world – it takes a sophisticated level of understanding that can only come from having been there ourselves.

### PROPELLED BY ENTREPRENEURIAL PASSION

Having started RCCB from scratch and built it with hard work and dedication, we view ourselves as proud, card-carrying entrepreneurs. Add to that varied backgrounds as business owners, general counsel and other operational roles, and you can see what makes us tick. We support businesses, as well as their owners, investors, and executives. Whether you are focused on your venture or personal wealth planning for you and your family, our practical approach and business acumen provide us with the ability to innovate, to be flexible when necessary, and to excel with a responsive, high-touch approach to our work.

### POWERED BY EXPERIENCE
