BIOGRAPHY

Laura Lee Flanagan focuses her practice on advising companies and individuals on a broad range of corporate, real estate and regulatory matters. Primarily in the financial services industry, she works with established companies and start-ups as general counsel, with a focus on regulatory matters. In recent years her practice has expanded into media and entertainment. Laura serves as outsourced General Counsel and/or Chief Compliance Officer for investment advisory firms, private funds, and a media company. She is a principal and founder at 3iCO, LLC, which provides regulatory compliance consulting services and outsourced compliance officers to investment advisory firms and private funds.
