office: 267.546.0209
cell: 401.338.6603

BIOGRAPHY

Matt Devine concentrates his practice on the representation of entrepreneurs and businesses in a variety of corporate and commercial matters, including entity choice and formation, corporate governance, debt and equity financings, and mergers and acquisitions. He also represents issuers (venture capital, real estate, and other private equity funds) in a variety of fund formation and capital-raising transactions, including private placements, crowdfunding transactions, and other offerings. Matt is also an adjunct at Temple Law School, where he helped design and has been teaching a course called "Lawyering for Entrepreneurship" since 2016.

REPRESENTATIVE MATTERS

- RCCB represented IT consultancy, Enable Consulting, in the sale of 100% of its membership interests to Prolifics, a global digital engineering leader. This strategic partnership will empower Prolifics to enrich and accelerate its various client offerings, including those in Salesforce engineering and AI-powered analytics (among others), while offering customized, innovative and growth-oriented solutions.
- Represented a leading biomaterials startup operating in the high-end luxury fashion space in connection with its \$2.5 million Series Seed-2 financing round led by two of the largest and most prestigious impact venture capital funds in Europe. RCCB has served as the company's general outside counsel since its inception, including through a \$500,000+ SAFE financing round. The client was recognized as Startup of the Year for Europe by the Founder Institute.
- Counseled multimillion dollar high-end athletic shoe reseller in connection with \$10 million Series A Preferred Stock offering.
- Outside general counsel to biotech startup from idea conception through two rounds of financing and graduation from prestigious NY-based accelerator program.
- Represented international money transmitter in \$2 million SAFE offering.
- Represented founders of online marketplace for REO and pre-REO properties in connection with \$75 million offering under Regulation A.
- Counseled high-end wireless charging device manufacturer in connection with Regulation CF and Rule 506(c) crowdfunding offerings.
- Formed micro-VC fund in nutritional supplement space and negotiated and closed all portfolio investments on behalf of the fund.
- Represented international commercial solar energy company in several Regulation D and Regulation A offerings targeting U.S.-based investors for projects in the United States, Brazil and sub-Saharan Africa.
- Outside general counsel for family office that makes investments in real estate and automotive technology companies.
- Formed several real estate investment funds for clients ranging from \$4 million to \$20 million.
- Represented New Jersey-based private equity client operating in the dental space in the formation of the sponsor and related entities, the raising of capital under Rule 506(b), the acquisition of several private dental practices, and the closing of three commercial loans.
- Represented purchaser of title insurance company in simultaneous stock acquisition, re-domestication, and \$75 million Regulation A offering.

- Represented seller of educational information and software company in connection with \$10 million stock and asset sale.
- Assisted seller of private aviation company in connection with \$130 million asset sale to a large public government contracting company.
- Represented public company in acquisition of several SaaS and insurtech companies.
- Represented family office client in connection with formation of new social equity cannabis retail company in Massachusetts.
