

LAW STUDENTS

A DYNAMIC AND IMMERSIVE EXPERIENCE

Our Summer Law Clerk Program offers law students a dynamic and immersive experience that goes beyond traditional legal research. We seek highly motivated candidates with strong academic credentials, sharp analytical skills, and a proactive mindset. Our program is designed to provide hands-on exposure to real client matters, allowing clerks to work alongside experienced attorneys in litigation, corporate transactions, and other key practice areas.

BUILD SKILLS AND CONNECTIONS FOR YOUR FUTURE

At RCCB, summer clerks are integral to our team, participating in substantive assignments, client meetings, and mentorship opportunities that foster professional development. We emphasize collaboration, innovation, and a culture that values fresh perspectives. Our program provides a unique opportunity to gain practical experience, build meaningful relationships, and explore a career at a firm that blends sophisticated legal work with an entrepreneurial and supportive environment.
