

LITIGATION PARTNER JOSHUA UPIN CONTRIBUTES TO SYLLO WHITE PAPER ON THE TRANSFORMATIVE ROLE OF AGENTIC AI IN COMPLEX LITIGATION

FIRM NEWS - JOSHUA UPIN, MARCH 28, 2025

Litigation Partner Joshua Upin, Esq. collaborated on a recent white paper from Syлло, the AI-powered litigation workspace, discussing the groundbreaking impact of agentic AI document review software on complex litigation. Joshua shares insightful perspectives on how this technology is transforming litigation and e-discovery practice.

The paper, Agentic AI Document Review is Transformative for Complex Litigation, explores how Syлло's agentic AI is revolutionizing document review—delivering unmatched efficiency and accuracy in high-stakes cases. This collaboration, featuring Professor Jamie Callan (Carnegie Mellon University) and 25 top litigators and e-discovery experts from seven elite law firms, validates Syлло's groundbreaking approach with real-world litigation data.
