

NEIL A. COOPER PARTICIPATES IN ISRAELI LEARNING COLLABORATIVE

- NEIL A. COOPER, FEBRUARY 12, 2025

Neil Cooper joined the Israeli Learning Collaborative at the Philadelphia University City Science Center on Feb 12 to share insights on "Be Ready for Financing Due Diligence!" as part of the "Understanding the U.S. Investor Mindset" presentations.

With extensive experience guiding companies, investors, and executives through complex transactions, Neil provides strategic counsel on M&A, private equity, venture capital, corporate governance, and financing across industries such as technology, life sciences, SaaS, and clean energy.

RCCB's Israel practice has a strong track record of advising Israeli companies expanding into the U.S. market and U.S. companies conducting business in Israel. Our team supports innovative Israeli companies in corporate law, venture capital, and cross-border transactions. Additionally, our International Tax and Estate Planning Groups provide comprehensive guidance to businesses and individuals navigating complex U.S.-Israel transactions.
