

RCCB COAT DRIVE COLLABORATION WITH NONPROFIT "ONE WARM COAT"

FIRM NEWS, RCCB - JENNIFER ILANA TINTENFASS, JANUARY 18, 2024

We're thrilled to announce the success of our coat drive in collaboration with the national nonprofit One Warm Coat! Between our three offices, the RCCB family came together to make a significant impact.

"Working with One Warm Coat was a great experience! There is a real need for coats in our community and throughout the country. With 37 million Americans living at or below the poverty level, many struggle to afford basic necessities. One Warm Coat's program made it easy for us to make a difference and share much-needed warmth," says Jennifer Tintenfass, our Warm Coat Ambassador.

A heartfelt thank you to the RCCB family for your generosity in contributing to this meaningful cause. Your donations will go a long way in providing warmth and comfort to those in need. Cheers to Jackie Washco for keeping our coats organized!

Let's continue spreading the warmth and making a positive impact together! Visit One Warm Coat to start your company's coat drive: <https://www.onewarmcoat.org>
