

RCCB PARTNERS SEAN S. LITZ AND MICHAEL B. GOLDBERG REPRESENT PROGRESSIVE PIPELINE MANAGEMENT (PPM) IN SELL-SIDE EQUITY TRANSACTION

FIRM NEWS, *RCCB* - MICHAEL B. GOLDBERG, SEAN S. LITZ, NOVEMBER 6, 2024

RCCB Partners Sean Litz and Michael B. Goldberg proudly represented Progressive Pipeline Management (PPM) in its sell-side equity transaction, resulting in an acquisition by Platform Partners. As a leader in trenchless pipeline rehabilitation, PPM uses innovative cured-in-place (CIPL) technology to restore aging and damaged gas utility pipelines with minimal disruption. Under the continued leadership of CEO David Wickersham, PPM will leverage this new partnership to expand its impact across the Americas, using the starline® technology system to extend pipeline lifespans while eliminating greenhouse gas emissions. We congratulate PPM as they continue to drive innovation and excellence in natural gas infrastructure restoration!
