Best Lawyers, the oldest peer-reviewed publication in the legal profession, has recognized 23 lawyers from our offices in Philadelphia, Conshohocken, and New York in its Best Lawyers in America 2024 edition. Additionally, Intellectual Property Counsel Nancy Rubner Frandsen has been honored as the **2024 Lawyer of the Year** in Philadelphia for Trademark Law.

"We take great pride in the recognition received by our attorneys, particularly the thirteen who are being honored for the first time," stated John E. Royer, Jr., Managing Partner. "Our team knows how to deliver, and we receive that feedback often from clients and the market in general. It's gratifying to see that also reflected in independent analysis by Best Lawyers as well as many other organizations."

First published in 1983, *Best Lawyers* is based entirely on annual peer reviews and voting. Lawyers honored as Lawyer of the Year have received significantly high ratings from peer-review assessments conducted among thousands of leading lawyers. This award recognizes lawyers who demonstrate a high level of integrity, professionalism, and ability. Only one lawyer is recognized as the Lawyer of the Year for each specialty and location.
