

RCCB SPONSORS THE ALLIANCE FOR DECISION EDUCATION'S VIRTUAL POKER TOURNAMENT

SPONSORSHIP - DAVID GITLIN, OCTOBER 27, 2022

RCCB is a prize sponsor for the Alliance for Decision Education Virtual Poker Tournament.

All proceeds support the Alliance for Decision Education's mission to empower every student with essential judgment and decision-making skills. The Alliance is working toward a day when Decision Education is a part of every student's learning experience as we know that better decisions lead to better lives, and a better society.

The tournament will be hosted by **Annie Duke**, Alliance co-founder, best-selling author on decision-making, and former professional poker player. Annie won more than \$4 million playing tournament poker, won a World Series of Poker bracelet, and is the only woman to have won the World Series of Poker Tournament of Champions and the NBC National Poker Heads-Up Championship. She retired from the game in 2012.
