FIRM NEWS - EVAN W. DAVIS, FEBRUARY 28, 2025

We are excited to announce our sponsorship of the SBC Summit Americas 2025 First Pitch competition, a dynamic opportunity for innovative startups in the sports betting and iGaming industries. Gaming & Sports attorney Evan Davis will represent RCCB at this premier event, where five cutting-edge startups will pitch their products and business plans to top industry leaders and investors.

The First Pitch competition offers emerging companies a platform to gain exposure, connect with influential stakeholders, and receive valuable feedback to refine their business strategies. The event is set to take place on May 15, 2025, and we are thrilled to be part of this industry-leading occasion.

As part of the competition, RCCB will offer \$5,000 in legal services to one of the startups, providing critical legal support to help them navigate the complexities of the sports betting and iGaming sectors. The competition also features a range of incredible prizes designed to give startups the resources they need to succeed, including promotional packages, data access, PR services, and more.
