

## WHILE PHILADELPHIA WAITS ON AMAZON, LOTS TO BE GAINED FROM FOCUSING ON ISRAELI TECH SECTOR

PUBLICATION, *THE LEGAL INTELLIGENCER* - NEIL A. COOPER, JANUARY 17, 2018

“Philadelphia’s highly skilled and educated work force, leading universities, attractive cost of doing business, and vibrant and growing entrepreneurial sector, all recommend our region to Israeli companies looking to launch a presence in the United States,” writes RCCB Executive Partner, Neil Cooper. Israel boasts one of the world’s highest concentrations of startups and is a global leader in technology. Read about the opportunities the Israeli Tech Sector present to Philadelphia in Neil’s article that is featured in *The Legal Intelligencer*, “While Phila. Waits on Amazon, Lots to Be Gained From Focusing on Israeli Tech Sector.” Read the article [here](#).
