

RCCB'S INTELLECTUAL PROPERTY GROUP IS ONCE AGAIN RECOGNIZED BY WTR1000 FOR EXCELLENCE

WORLD TRADEMARK REVIEW - BARRY L. COHEN, NANCY RUBNER FRANDSEN, DONNA A. TOBIN, FEBRUARY 15, 2024

Royer Cooper Cohen Braunfeld (RCCB) is thrilled to share that its IP practice, along with two Pennsylvania attorneys and one from New York, have been honored by the World Trademark Review WTR1000 for their excellence in trademark law.

Donna A. Tobin has been awarded a Silver ranking in the United States: New York region. Donna has provided large and small clients in various industries, including the health and wellness, financial services, and food and beverage industries, with trademark litigation, prosecution, and counseling services for over thirty-five years.

Nancy R. Frandsen has received multiple accolades from the WTR1000. Notably, she has been recognized with a Gold ranking in the United States: Pennsylvania region for her outstanding work in both trademark prosecution and strategy and in enforcement and litigation. Nancy's expertise and strength in handling trademark matters, particularly for clients with multinational portfolios, are highly respected within the industry.

Barry L. Cohen, a seasoned litigator with extensive experience in trademark, copyright, unfair competition, trade secret, and commercial disputes, has been recognized with a Silver ranking in the United States: Pennsylvania region. His ability to quickly understand his clients' businesses and tailor litigation strategies accordingly has earned him admiration among his peers.

Additionally, the Pennsylvania IP practice was honored as a recommended firm. According to WTR1000, their "small but mighty IP team is known for its collaborative approach and agile solutions to intellectual property issues."

The WTR 1000 is a prestigious ranking that focuses exclusively on trademark practice, providing valuable insights into the world of trademark law and recognizing the top practitioners in the field. Results are determined by a four-month research period comprised of telephone interviews along with written submissions from firms detailing their recent activity in the field.
