

THOMSON REUTERS HEALTH LAW HANDBOOK 2020 EDITION, MEDICAL MARIJUANA: STATE AND FEDERAL LAW THICKETS AND PRACTICAL IMPLICATIONS

PUBLICATION, *THOMSON REUTERS HEALTH LAW HANDBOOK 2020 EDITION* - NEIL M. WILLNER, 2020

RCCB Associate Neil M. Willner is co-author of "Medical Marijuana: State and Federal Law Thickets and Practical Implications," a chapter in the 2020 Edition of Thomson Reuters Health Law Handbook. The chapter includes an introduction, an overview of federal and state guidelines and laws, and the status of hemp and CBD under the 2014 and 2018 Farm Bills. This is the 32nd edition of the Handbook and continues the tradition of soliciting contributions from experts around the country on a variety of topics of interest to health lawyers, no matter where they practice.
