Marisa Brutoco is a partner in the Intellectual Property Practice Group in the firm's Orange County and Silicon Valley offices and is a Team Leader of the firm's Technology Transactions Team.

Areas of Practice

Marisa Brutoco uses her years of experience working with some of the world's most innovative technology companies to help provide strategic legal and business advice for her clients regarding technology, commercial, and intellectual property transactions and product development. Marisa was in-house counsel at Amazon, Google/YouTube, GoPro, and Apple. Marisa has significant industry expertise in areas including healthcare/digital health, telecom, edtech, clean tech, entertainment/digital media, news, sports, the metaverse and government contracts.

Marisa negotiates deals and advises on issues and product launches related to software/software as a service, cloud computing, hardware development and supply chain agreements, mobile and online app development and distribution, procurement, services and vendor agreements, university tech transfer, OEM, reseller and distribution agreements, the Internet of Things (IoT), Virtual Reality/Augmented Reality (VR/AR), IP licensing and assignments, artificial intelligence and data licensing. She also provides guidance on the technology, IP and commercial aspects of mergers and acquisitions, joint venture agreements and financings.

Marisa serves on the Board of Trustees for her alma mater, Stanford University. She also serves as the on the board for her alma mater, Stanford Law School and is its Law Fund Chair. She is on the firm's pro bono committee and she is a member of its diversity and inclusion working group. She is a board member and strategic advisor for ChIPs regional chapter, a nonprofit advancing women in IP and technology law and policy, and is on the California Lawyers Association Task Force on Artificial Intelligence.
