Alex Schwartz is a partner in the firm's Corporate Practice Group.

Areas of Practice

Alex regularly counsels companies, private equity firms, venture capital firms and investment banks on going public transactions, including IPOs and direct listings, and routinely advises newly and seasoned public companies and private equity firms on strategic transactions, debt, equity, convertible, preferred and hybrid securities offerings, corporate governance, disclosure issues, executive compensation and incentive equity matters, periodic reporting, Section 16 reporting and stock exchange listing requirements. Additionally, Alex has significant experience navigating complex mergers and acquisitions, recapitalizations, liability management exercises and restructurings.
