Clélia Jadot is an avocate in the Antitrust and Competition Practice Group in the firm's Brussels office.

Areas of Practice

Her practice focuses on EU competition law issues, including State aid and regulated network industries.

Prior to joining Sheppard Mullin, Clélia conducted research in EU law at the University of Liège and the University of Hasselt. She mainly focused on State aid law and internal market law. She then completed a Schuman traineeship at the Legal Service of the European Parliament, in the Economic and Scientific Policies Unit.
