Eric A. Newsom is a partner in the Corporate Practice Group in the San Francisco office and a member of the Firm's Healthcare Industry Team.

Areas of Practice

Eric's practice focuses on mergers and acquisitions, private equity and venture capital investment transactions, complex domestic and international joint ventures, and corporate governance and compliance matters. He has represented buyers, sellers, investors and intermediaries in scores of business combination, buyout and investment transactions, with particular emphasis on the healthcare and technology industries.

In his healthcare and health technology practice, Eric focuses on mergers and acquisitions, affiliations, reorganizations, innovative and strategic joint ventures and private equity investment and disposition transactions involving for-profit and nonprofit health plans, academic medical centers, multi-hospital systems, physician groups and ambulatory and other specialty service providers, as well as startup and growth-stage companies in the healthcare information technology sector.

A significant portion of Eric's practice involves advising clients in connection with cross-border transactions, whether engaging foreign counsel to assist domestic clients in managing offshore assets, or representing foreign clients in sales to, or strategic joint ventures with, U.S.-based businesses.
