Inès Briand is an associate in the Corporate Practice Group and French Desk Team in the firm's Brussels office.

Areas of Practice

Ines' practice primarily focuses on domestic and cross-border mergers and acquisition transactions (with special emphasis on operations involving French companies). She also has significant experience on general corporate matters and compliance for foreign companies settled in the United States.

As a member of the firm's French Desk, she has advised companies and private equity funds in both the United States and Europe on mergers, acquisitions, commercial contracts and general corporate matters, including expansion of French companies in the United States.

Ines was born in France, and educated both in France and in the United Kingdom. She completed a LL.M. in International Business and Economic Law at Georgetown University Law Center, with a special focus on securities and financial law.
