Li Guo is an associate in the Intellectual Property Practice Group in the firm's Silicon Valley office.

Areas of Practice

Li's practice focuses on *inter partes* review proceedings, district court patent litigation, and Federal Circuit appeals. Li has worked on matters involving semiconductor devices, integrated circuits, multimedia streaming, and computer networks.

During law school, Li externed for the Honorable William Alsup of the United States District Court for the Northern District of California, where she gained exposure to various stages of patent litigation. Prior to attending law school, Li worked as a research associate at Argonne National Laboratory.
