LaShanya Nash is a patent agent in the Intellectual Property Practice Group in the firm's San Diego (Del Mar) office.

Areas of Practice

LaShanya specializes in patent application drafting and prosecution in the electrical, mechanical and computer software arts, including wireless communications, information security and computer networking. She also assists in patent portfolio management and developing prosecution strategies.

Previously, LaShanya was a patent examiner at the U.S. Patent and Trademark Office (USPTO) for more than nine years, where she reviewed patent applications in the data security and computer networking technologies. She also obtained engineering industry experience when she worked as a satellite engineer at Lockheed Martin.
