Patrick C. Diaz is an associate in the Corporate Practice Group in the firm's Washington, D.C. office.

Areas of Practice

Patrick represents private equity sponsors, their platform companies and private companies in leveraged buyouts, M&A transactions and general corporate governance matters. For M&A transactions, his experience includes asset purchases, equity purchases, mergers and carve-outs both on the buy-side and the sell-side. Patrick represents clients in the aerospace and defense, government services, technology services, and healthcare services industries.

Patrick also has experience helping both private equity portfolio companies and venture-backed startups with corporate governance on their capitalization tables, director, manager and officer slates, corporate filings, and other corporate governance matters.

Before joining Sheppard Mullin, Patrick worked in the technology industry at SAP and Tata Consultancy Services, where he led its AI practice on Microsoft in North America.
