Robert G. Sbardellati is Of Counsel in the firm's San Diego office and is a member of the Corporate and Securities Practice Group and Healthcare team.

Areas of Practice

Robert is experienced in a wide variety of business transactional matters, from the start up of new companies, to the counsel of mature businesses. He renders advice on general business and corporate law issues relating to mergers and acquisitions, the formation and operation of corporations, partnerships and limited liability companies, conversions, dissolutions, corporate financing and real estate transactions. Robert represents clients in many diverse industries, including healthcare, service, real estate, technology and manufacturing.

Robert has extensive experience in negotiating and documenting acquisition agreements and other transactional documents. He has represented issuers and investors in the private placement of securities in a variety of businesses including real estate, drug research, medical device companies and diagnostic medical equipment.

Robert provides advice on a wide range of healthcare issues, including fraud and abuse, anti-kickback and the Stark law. He has extensive experience in negotiating and documenting acquisitions and other transactional documents for medical groups, hospital affiliations, ambulatory surgery centers and other healthcare related entities.
