Tina Watson is an associate in the Corporate Practice Group in the firm's New York office and a member of the Healthcare Industry Team.

### Areas of Practice

Tina advises clients on a broad range of healthcare regulatory and transactional matters. Her experience includes navigating complex regulatory, operational, and corporate governance issues and assisting with general corporate matters, including mergers and acquisitions and strategic affiliations. She is also a member of the firm's Healthy AI group, an initiative focused on the use of artificial intelligence in healthcare.

Tina attended Boston University School of Law, graduated *cum laude*, and was an editor for the *Boston University Law Review*. While in law school, Tina worked in the office of the general counsel at a large non-profit health system in Boston and was a member of BU's Technology Law Clinic, where she advised BU and MIT graduate students on legal issues related to entrepreneurship and research activities. Prior to law school, Tina worked in healthcare economics and outcomes research. She received her Bachelor of Arts from Columbia University.
