At Sheppard Mullin, we recognize the importance of diversity and the need to create a workplace of inclusion. We need, and our clients demand, a team of attorneys that is as diverse as the world in which we practice. Achieving and maintaining diversity is key to effective client service – a core value of our firm.

At Sheppard Mullin, we ‘walk the talk.’ Our firm was appointed in 2013 by the U.S. District Court for the Eastern District of Louisiana as the federal monitor over the New Orleans Police Department responsible for reviewing, assessing and reporting publicly on the NOPD’s compliance with a far reaching Consent Decree involving civil rights and effective, constitutional and professional law enforcement.
