

→ LGBTQ Attorneys

Out at Sheppard's mission is to increase visibility of and support for lesbian, gay, bisexual and transgender attorneys and professionals in keeping with Sheppard Mullin's overall commitment to diversity. The group focuses its collective efforts on finding, hiring and retaining the best and brightest LGBTQ attorneys and encouraging them as they move into leadership roles at the Firm. Out at Sheppard helps facilitate participation in law student outreach programs, actively participates in the Summer Associate program, and provides informal opportunities for mentorship, collaboration and camaraderie for attorneys in all stages of their career. The group also serves as a resource for professional and business development, and as a communication link to the Firm's leadership.

By contributing to the open and affirming culture at Sheppard Mullin, we aim to positively impact not only our own and our clients' workplaces, but also the larger communities in which we practice. We are committed to seeking out, encouraging and supporting meaningful pro bono work, community activism and volunteer opportunities to protect the rights and improve the lives of lesbian, gay, bisexual, transgender and queer individuals and their loved ones.
