Hands-On Data Breach Simulation: Understanding the Roles of Legal, Forensics/IT, and PR

George Washington University The Marvin Center

10.04.2017

Where:

The Marvin Center

800 21st Street Northwest

Washington, DC 20052

When:

October 4-6, 2017

Hands-On Data Breach Simulation: Understanding the Roles of Legal, Forensics/IT, and PR

This unique data breach simulation will work through exercises to show how legal, forensics/IT, and PR can better work together and understand each other's roles. The session will be led by highly-seasoned representatives of each of these groups. The simulation will be hands-on and highly-interactive with attendee participation.
