

Project General Counsel Workshop

Sheppard Mullin - Los Angeles
11.14.2019

Project General Counsel Workshop

We are picking up where Project 20/35 left off and have designed a program to support women in their career paths towards General Counsel (GC). Our mission is to help elevate more women to the role of GC because we believe that when there is gender parity at the GC level, that will facilitate the success of women throughout the profession.

Please join us for Sheppard Mullin's Project General Counsel Workshop. The day will be focused on skills related to c-suite and board members through panel discussions, breakout sessions and role playing exercises to support you in your professional development.
