

POSTPONED: Cannabis Webinar Wednesday - Environmental Concerns

03.18.2020

Environmental Concerns

Entering into an emerging field, how do companies navigate environmental issues associated with cultivating and selling cannabis products? This webinar will cover how existing laws and regulations impact the industry, will explain regulatory trends, and will offer compliance tips for entrepreneurs. Topics include:

- The environmental laws and regulations most impacting the industry;
- Enforcement trends;
- Classifying and managing hazardous waste associated with cannabis products;
- Controlling air emissions, and reducing odors;
- Proper warnings, including Proposition 65 compliance;
- Issues related to water and land use

When:

March 18, 2020 (Postponed until further notice)
