Value-Based Care Spotlights: Leadership Through the Storm

May 27, 2020

11:00 a.m. – 12:00 p.m. PT

Webinar

As many healthcare organizations face ongoing and severe COVID-19-related clinical, operational and financial challenges, exceptional leaders are rising to the occasion to successfully navigate a rapidly-changing landscape.

This VBC Spotlights webinar will feature Phil Watts, General Counsel at OneOncology and Babak Azizzadeh, M. D., F.A.C.S., founding physician of La Peer Health Systems, both of whom will share strategies and perspectives on the impact of, as well the opportunities being created by, the COVID-19 crisis. This complimentary webinar will also include a panel of leading healthcare experts who will provide insights on COVID-19's implications and be available to answer your questions.

Aytan Dahukey, Partner and Private Equity Team Leader at Sheppard Mullin, will moderate this VBC Spotlights webinar with:

James Castro, Managing Director, FocalPoint Partners (Healthcare Investment Banking)

Ryan Martinez, Principal, Alliance Bernstein (Private Wealth Management)

Richard Kes, Partner, RSM Consulting & Accounting
