Cannabis Webinar Wednesday - Intellectual Property in the Cannabis Space

Webinar 09.23.2020

Intellectual property (IP) rights may be your most valuable asset in today's market. IP can drive business successes and thwart competitive inroads, especially for the cannabis industry. Our webinar will help cannabusinesses identify potential IP that can drive their success. Topics that our panelists will address include:

- Trade secrets
- Patents
- Trademarks
- Copyrights
- Potentially advantageous provisions in license agreements
- Enforcing IP rights when cannabis remains illegal in some jurisdictions
