About:

In this webinar, we will discuss the new California law, Senate Bill 1159, that establishes presumptions regarding workers' compensation benefits for employees who contract COVID-19, and its impact on employers.

Key topics to be discussed:

- The presumption that applied to employees between March 19, 2020-July 5, 2020.
- The presumption that applies to certain frontline workers between July 6, 2020-January 1, 2023.
- The presumption that applies to other, non-frontline workers between July 6, 2020-January 1, 2023.
- Practice pointers for employers, attorneys, and in-house counsel.
