

## Cannabis Webinar Wednesday: Taxation of Cannabis: Navigating Challenges in Cannabis Accounting

Webinar  
11.18.2020

There are unique tax-related challenges that cannabis businesses face, largely because of the tension between some state laws, where cannabis is legal in some form, and federal law, under which cannabis remains a Schedule I illegal drug. This webinar will review those challenges and offer tips on how those in the cannabis industry can overcome them. Topics include:

- How tax rules apply to the cannabis industry and review key planning techniques
- Impact of recent tax court cases on cannabis businesses
- Key issues raised in IRS audits and methods to avoid them
- Effect of Section 280E, 471-11 and deduction of the cost of goods sold
- Ownership structure of cannabis businesses and tax exposure
